

# How to ride Local-line Buses

Enter the bus from the rear door.  
Pay the fare when you get off.

Be sure to confirm the destination shown on the front and the side of the bus.

**1** Take a **NUMBERED TICKET** (called *Seiri-ken*) from the machine when getting on the bus. Please note that numbered tickets ("Seiri-ken") are not issued on Kanazawa Loop Buses or Kenrokuen Shuttle buses. Simply get on those buses without taking a ticket.

Pay the bus fare when getting off. This NUMBERED TICKET shows the bus stop where you got on, and is required to pay the fare.

**2** After your stop is announced and shown on the display at the front of the bus, press the disembark button to let the driver know that you will get off at the next stop. The button will light up.

**3** Confirm the fare shown on the display.

The child fare (for elementary school students ages 6-12) is half the adult fare (rounded up to the nearest ¥10).

**4** When getting off, put both the fare and the numbered ticket in the fare box next to the driver.

Since change is not given, please use the change machine to put the exact fare in the fare box.
